

## MCI Project Weekly Time Sheet

Team 05 Student ID a1817812

Week starting: 10

Day	Date	Time In	Time Out	Total hours	Task	How does it fit into project plan?	Outcome/Next action
Monday	16/05/2022	1:30 PM	2:30 PM	1	1. Client meeting. 2. Weekly task allocation.	Weekly update with client. Weekly task allocation.	We got some feedbacks and requirements from our client. Firstly, our client is happy with our current solution and progress. Secondly, the client would like a multi-select feature to check the impact of multiple grade distribution to the target course.
Tuesday	17/05/2022	10:00 AM	6:00 PM	8	1. Discussion for the next functionality. 2. Discussion for the testing plan. 3. Coding for my new task, which is course advisor input.	Since the first functionality - Course Relationship is nearly done, we are moving on to the next functionality - Course Advisor.	1. Our group has reached an agreement for the testing plan and allocated tasks to each team member, next we are going to finish our testing plan assignment. 2. Discussed with Athena about the basic requirements for the Course Advisor Search function. Started to build a new react component "AddCourse" for the feature.
Wednesday	18/05/2022	5:00 PM	8:00 PM	3	Finishing up my parts of testing plan	We are planned to finish the report on Wednesday, then we could have a consulting session with Cruz on Thursday to get some feedbacks.	Finished my parts - Defect Testing and our testing plan example. Next we are going to collect feedbacks from Cruz and Roberto then make some adjustments.
Thursday	19/05/2022	11:00 AM	4:00 PM	5	1. Consulting session with Cruz to get feedbacks for our testing plan. 2. Group meeting for the modification of our testing plan.	These tasks are important to the following phases of our project. We have to make sure our testing process is well planned to acquire high product quality and client satisfaction.	We got plenty useful feedbacks from Cruz about our testing plan, we had a group meeting after the consulting session to discuss how to improve this report. We have agreed for some changes, next we are going to do the modification.
Friday	20/05/2022	11:00 AM	1:00 PM	2	Group meeting for finalizing our testing plan.	Restructure and finalize our testing plan.	We finished the whole testing plan. Next will continue the coding tasks for the new functionality - Course Advisor.
Saturday	21/05/2022	10:00 AM	5:00 PM	7	Coding for Course Advisor input.	I'm trying to finish this feature as soon as possible so my team mates could get proper data flow for the Course Advisor display page.	Basically finished the main feature, but there are still some bugs need to be fixed.
Sunday	22/05/2022	8:30 AM	9:30 AM				
Total				26
