## **Minutes of the Client Meeting**

Team 05

Yiwei Zhang, Lei Jin, Shuchen Wu, Yen You Chew

Friday 3rd April 2022

Note taking for the meeting:

Shuchen Wu

### **1 Time and Place**

The group meeting for the Master of Computing & Innovation Group Project was held online at 1:30 pm on Monday 3rd April 2022.

### **2 Ux solution validation**

The client validated and approved the new version of course recommending user experience and interface. Our client points out that the dependency function is helpful to evaluate if students follow the suggestions of course taking order, whether it leads to better performance.
