

## MCI Project Weekly Time Sheet

Team 5 Student ID a1790922 Week starting: 3

Day	Date	Time In	Time Out	Total hours	Task	How does it fit into project plan?	Outcome/Next action
Monday	14/03/2022	12:00:00	5:00 PM	5	Pitch presentation preparation	Pitch presentation is an important step of our project. This can help the client to understand the project we provided.	I finished the slides of my part and I will discuss it with my group in the next group meeting.
Tuesday	15/03/2022	4:00 PM	5:30 PM	1.5	Group meeting	Pitch presentation is an important step of our project. This can help the client to understand the project we provided.	We finished the draft of the pitch presentation. And we will show the presentation to the client tomorrow.
Wednesday	16/03/2022	12:00 PM	1:00 PM	1	Client meeting	We hold regular meetings with clients to ensure that clients can keep track of our project progress.	The client liked our presentation very much and wanted us to pay attention to the css problem when implementing it, and mentioned that it may affect the effect of our final product.
Thursday	17/03/2022	8:30 AM	1:30 PM	5	MongoDB setup	We will use the MongoDB database as our backend database. And since our data needs security and our data volume is large, we will use AWS's cloud database instead of deploying the database locally	Completed the registration of MongoDB Atlas. I read the documents and configured a new cloud database successfully.
Friday	18/03/2022	7:00 PM	11:30 PM	4.5	Work on the pitch content	In the pitch we should mention the existing solution to the problem and compare it with our solution.	I improved my presentation draft and I talked about the current solution to the problem and how our product is better than it.
Saturday	19/03/2022	10:00 AM	4:30 PM	6.5	MongoDB study	MongoDB is a document-oriented database, unlike any relational database I've worked with before. I need to learn how to use him and import the data provided by the client into the database	I read the official quick start documentation and will continue working on it next week
