

## MCI Project Weekly Time Sheet

Team 5 Student ID a1686965 Week starting: 14/03/2022

Day	Date	Time In	Time Out	Total hours	Task	How does it fit into project plan?	Outcome/Next action
Monday	14/03/2022	12:00:00 PM					
Tuesday	15/03/2022	8:30 AM	12:30 PM	4	Research Hadoop	Could be useful for the data processing	Hadoop is too weird. I am more confused on how to use hadoop. Introduction of Hadoop looks interesting but actually using it is different story. I feel like I need more time on this. Will start doing more research on it.
Tuesday	15/03/2022	4:00 PM	6:00 PM	2	Group meeting with my team	For the pitch presentation	We finalised a draft for the pitch presentation, which we plan to show our client for tomorrow's meeting.
Wednesday	16/03/2022	9:00 AM	12:00 PM	3	Continue research on Hadoop	Could be useful for the data processing	I tried an example of using hadoop with Virtual Machine but I feel like it's wasting my time. Got a lots of errors, no idea what I am doing.
Wednesday	16/03/2022	12:00 PM	1:00 PM	3	Meeting with the client	Get feedback	Client absolutely love our work and the draft pitch. Gave a lot of useful feedback on how we can improve. The biggest take away is for use to start setting out our website, after that make sure front to back end has no problem communicate, make sure we all learn CSS as it is the most important part.
Thursday	17/03/2022	9:30 AM	12:30 PM	3	Check out how to use MERN Stack	MERN stack is what we use for our project	There are different kind of guides. I decide to watch a few different guides
Thursday	17/03/2022	1:00 PM	4:00 PM	3	Watch youtube guide on MERN Stack	MERN stack is what we use for our project	Some guides are better then others. All of them are 2 hours long.
Friday	18/03/2022	11:00 AM	4:00 PM	5	Work on the pitch content and study on setting up the environment for MERN Stack	For our pitch presentation	Need Visual Studio, Notezipper, node js, Git bash, Postman for the environment. Other useful extension for Visual Studio: Auto Rename Tag, Bracket Pair Colourizer 2, ES7 React, JavaScript, Material Icon Theme, Prettier.
